

TITCHMARSH PARISH PLAN ~ ACTION PLAN

The Parish Plan Committee recommends that the following action be taken.

Description	Responsibility	Due Date
Set up a series of initial meetings for those interested in joining the various clubs and societies identified in the Participation Sheet	Parish Plan Committee	December 2005
Investigate the options available for the creation of a village shop, a pop-in café and internet café.	Parish Council	December 2005
With the appropriate authorities, jointly explore the possibility of the construction of a cycle path to Thrapston.	Parish Council	December 2005
With the County Council, press for a roundabout at the A605 Titchmarsh junction.	Parish Council	December 2005
Seek ways of providing additional leisure facilities in the village, especially tennis courts and a skateboard park.	Parish Council	December 2005
Further investigate the cost and feasibility of traffic calming measures in the village.	Parish Council	December 2005
Explore with the District Council the possibility of setting up a scheme for the regular collection of garden waste.	Parish Council	December 2005
Ensure that the Neighbourhood Watch Scheme operates more effectively and make sure that people are better aware of how it works for them.	Parish Plan Committee	December 2005
Investigate to see if bus shelters can be erected at the school pick-up points.	Parish Council	December 2005
Arrange a meeting for all those who expressed an interest in the Community Transport Scheme to look at ways of organising it	Parish Plan Committee	December 2005
If viable, include a “Small Ads” page on the website.	Titchmarsh Website Group	December 2005
In discussing the future of the church and its congregation, consider the majority views expressed in the survey.	Parochial Church Council	December 2005
