- Other (please specify)

.....

7. If you feel that any of the above measures are needed, where should they be located:

Housing and Development

There were comments at T-Day, both for and against, the need for “low cost” housing. One option would be to provide this type of housing for people from the village or close connections with the village on a rent only or shared ownership basis; this is known as affordable housing.

8. Please read the following statements relating to housing developments and indicate whether you agree or disagree with them.

	Strongly Agree	Agree	No opinion	Disagree	Strongly Disagree
Titchmarsh needs more houses.					
Any development should be small with a maximum of six houses.					
Titchmarsh needs larger developments.					
I would support the provision of affordable housing.					
I am prepared to see development outside the existing village confines. (See map on back of questionnaire.)					
I would like to see a few small workshop-style units for rent within the village.					
I would be interested in renting a workshop unit.
