Titchmarsh Parish Plan

Village Questionnaire

Dear Resident

The feedback received at T -Day, held in the Clubroom on Sunday 26th September, has been enormously helpful in formulating this questionnaire.

The next stage is to obtain views through your answers to these questions, which are all relevant to the future needs of the people of Titchmarsh Parish. The objective of the questionnaire is to provide the Parish Plan Committee with as much accurate and relevant information as possible about Titchmarsh and how it should develop over the next five to ten years. The Parish Plan Committee will use the information in the preparation of the Parish Plan, so by answering the questions you will be contributing directly to the future of our community.

All the information contained in the Questionnaire is strictly anonymous and will only be used for the purposes of the Parish Plan. If there are questions you prefer not to answer, please just leave them blank. There is also a separate form included to enable you to express an interest in any potential clubs or groups that may be formed as part of the follow up Action Plan. This will be kept separate from the questionnaire to retain your anonymity.

Included with letter are:

Household Survey: *(blue paper)* — This contains general questions covering your HOUSEHOLD and should be completed by ONLY ONE PERSON IN EACH HOME.

Individual Survey: *(white paper)* — This contains INDIVIDUAL questions and should be completed by each member of the household, including the person who completed the Household Survey. Parents of younger children should take their future needs into account when giving their own answers or help them complete the questionnaire.

Participation Sheet: *(yellow paper)* — Everyone in the household who wishes to express an interest in joining or help with any activities should complete this form.

Please complete your questionnaires as soon as possible and seal them in the envelope provided. The Participation Sheet will be collected separately.

Your envelope will be **COLLECTED FROM YOU** on:

Date Time

If you prefer not to have your questionnaire collected, you can deliver it to John Gaskin at 39 High Street, Titchmarsh or Diane Ellis at 8 Church Street, Titchmarsh.

The completed questionnaires will be analysed and the result, along with a draft Parish Plan, will be presented early in 2005.

Thank you for taking time to complete this questionnaire for our parish and our future.

Parish Plan Committee: John Gaskin, Maggy Chapman, Julie Cheney, Diane Ellis, Sally Horridge, Ian Teague

Data Protection Act

No information will be held linked specifically to an individual household or person. All data held on any database will be for the sole purpose of producing the Titchmarsh Parish Plan and associated documents.
